## CAUSE

This offender is presently employed by Mr. Joe White, owner of Ace Hardware and Fred's in Parsons, Tennessee. Mr. White has expressed a desire to expand this offender's job duties to include operating a cash register due to her reliability. Mr. White has contacted our office and states that he understands the nature of this offender's instant offense, and reports that he has internal controls on his cashiers and equipment that would mitigate the risk of this individual reoffending. The re-wording of the modified special condition would allow the probation officer to investigate and pre-approve any employment involving the handling of money for this offender during her term of supervised release. Therefore, our office is requesting the special condition of supervised release as stated on this petition, and Mrs. Adkisson has indicated her willingness to have this condition modified by her execution of the attached waiver form (PROB 49). Eddie H. Adkisson has paid the balance of her \$3,000 fine and \$100 special assessment as ordered by Your Honor.

Respectfully submitted,
